## CITY'S HIGH TAX RATES PROTESTED

### 273 Kansas State Prisoners In Revolt

#### SHOUT DEFIANCE TO AUTHORITIES IN PRISON MINE

Officials Establish Siege and Expect To Starve Out Mutineers

#### GUARDS HELD CAPTIVE

Convicts Have Dynamite Sup-  
ply, but No Caps To  
Explode It

Lawrence, Kan., July 10.—Two hun-  
dred and seventy-three prisoners at  
Kansas State Prison here who re-  
cently barricaded themselves in a prison  
cell mine and refused to surrender  
still defying officials today.

No avenue of escape is available  
according to penitentiary authorities  
and there is nothing to do but wait un-  
til the convicts are starved out. Food  
was lowered to them at noon yester-  
day and is believed to be only enough  
to last a couple of days.

Fourteen guards are held captive in  
the mine. The blockade entrance is  
750 feet below the surface.

When the mine caved yesterday  
lowered heavy timber was seized and  
run through the elevator machinery.  
All requests to the convicts to ar-  
rivate were met today with jeers.

**Cell Defiance**

One prisoner yelled: "We would just  
soon sleep in the tunnels as in the  
territories of the prison."

Guards are armed only with clubs.  
Firearms are not permitted in the pris-  
on mine. The prisoners have dynamite,  
but no caps with which to explode it.  
A squad of laborers were taken into  
the shaft today and efforts were made  
to break loose the mine cage and if that  
was accomplished it was said that guns  
may be used to quell the mutiny.

It is feared that the mutineers will  
use the 14 guards as a shield between  
them and outside guards.

Warden Mackie today declared the  
cause was a loss to determine the cause  
of the mutiny. He said the mutineers  
had been grumbling, never having to  
sleep two nights on sheetless beds.

#### ESCAPE INJURY AS AUTO IS DITCHED

Marion Automobile In Accident In  
Effort To Avoid Hitting  
Detour Post

Six occupants of a Harnes touring  
car belonging to B. E. Kleiman, 635  
S. State st., narrowly escaped serious  
injury on the Delaware pike at 7 o'clock  
last night.

The car was being driven by Miss  
Paul Kleiman and was enroute to  
this city from Columbus. Coming to  
the turn she failed to see the detour  
post just south of Wall to until the car  
was about to hit it. In an effort to  
avoid the post she turned the car to  
the side and slid into the ditch.

Only minor injuries and scratches  
were sustained by the passengers.

#### GRANDSON OF EBER BAKER IS DEAD IN SOUTH

Charles Eber Baker, 81, Suc-  
cumb in Sanitarium at  
Atlanta, Ga.

#### HERE AT CENTENNIAL

Fourth Grandchild of Marion's  
Founder Taken by Death  
Since 1922

Charles Eber Baker, 81, native and  
former resident of Marion and grand-  
son of Eber Baker founder of Marion  
died Wednesday in a sanitarium at At-  
lanta, Ga. It was learned here today  
that he was taken here today.

Death was due to tuberculosis and  
the infirmities of old age. Burial was  
to be made in Chicago although the  
time and place could not be learned.

Mr. Baker last visited Marion dur-  
ing the centennial in 1922, represent-  
ing the Baker family and giving an  
address. At that time there were five  
grandchildren of Eber Baker alive.  
Since then four have died, Edward E.  
Baker of New York City, Mrs. Henna,  
the only survivor. A sister, Mrs. J.  
Allen of Marion died in April of this  
year.

**In Civil War**

Since leaving Marion many years ago  
Mr. Baker had lived in Chicago, Kan-  
sasville, Cleveland and in many  
southern cities. In Cleveland he was  
employed in perfecting a process to  
separate ores. It was while doing this  
work that he first became tubercular.  
Later physicians were able to cure him.

### Principal Actors in Sheik Bandit Trial in Chicago

Martin Durkin

Irma Sullivan Durkin

Betty Werner

Judge Miller

#### BANDIT DURKIN MUST SERVE 35 YEARS IN PEN

Verdict Reached in Chicago  
Killer's Case After All-  
Night Session

Chicago, July 10.—Thirty-five years  
in prison was the verdict reached by  
the jury today in the case of Martin  
James Durkin, Chicago's shooting  
bandit charged with the murder of Ed-  
win Shanahan federal agent.

It took the jurors nine hours and  
nineteen minutes to come to an agree-  
ment as to Durkin's guilt. It was re-  
ported.

Two of the jurors. It was said favor-  
able death three were for a sentence of  
14 years to life imprisonment and  
seven advocated a 40 year sentence.  
Shortly after eight o'clock a compromise  
of the 35 year sentence was reached.

The case went to the jury at 10:45  
a. m. and immediately after Judge  
J. J. Miller delivered his instruc-  
tions. These were interpreted by many  
as being favorable to the defendant.

Throughout the night the jury de-  
bated the fate of the notorious slayer.  
At 4 o'clock this morning the men asked  
to be allowed to retire but when Judge  
Miller could not be located they con-  
tinued their deliberations.

The agreement to convict Durkin was  
reached on the fourth night shortly af-  
ter a clerk according to reports. The  
jury then attempted to fix the penalty.  
It found guilty as duly split on this  
turn to Page 10

### Showers Bring Relief To Sweltering Thousands In State; Many Killed By Heat

Thunderstorms, Accompanied by High Winds, Cause Break In  
Intense Heat Wave Which Has Gripped Ohio For Two  
Days; Twelve Die in Chicago District

Cleveland, O., July 10.—Ohio today  
enjoyed the promised relief from the  
oppressive heat wave that held the state  
in its grip for two days.

After another stifling day with the  
mercury frolicking around in the 80's  
thunder storms came riding into the  
state on the wings of gales. They left  
behind them this morning several  
skies lowered temperatures and cool  
breezes.

The hot weather took a toll of at  
least 12 Ohio lives during the two day  
spell. A survey of the state showed 11  
deaths on Thursday, a few deaths more  
were added yesterday, four more  
deaths and three fatal heat strokes to-  
day.

**Nine Victims**

The latest victims were John Lee  
70, drowned at Jordon, Loudon Pake  
27, drowned at Venice near Cincinnati.  
Mary Andrews 19, overcome by the  
heat at Youngstown and Thomas  
Hughes 45, died of the heat in Cleve-  
land.

These were numerous prostrations  
from the heat in the larger cities of  
the state but in most cases the victims  
were on the road to recovery today.

Helvelin Boles 21 of Youngstown  
was drowned in Lake Glader Mill  
Creek Park at Youngstown. Henry  
Reese of Newellville Pa. was drowned  
in the Shenango river near Youngs-  
town.

#### RECALL JURORS TO DELVE INTO BANK COLLAPSE

Yorkville Bank Failure To Be  
Thoroughly Probed, Many  
Indictments Expected

Stenheville, O., July 10.—Returning  
early today from a conference with  
state banking department officials at  
Columbus, Prosecutor Roy N. Merry-  
man announced that he would recall the  
adjourned Jefferson County Grand Jury  
for duty Monday, July 10 to con-  
sider probing the recent Yorkville  
bank failure in which between \$900,000  
and \$1,000,000 was believed lost to de-  
positors and stockholders.

The probe had been set down some  
time ago to commence early in August  
and in announcing a speeding up of  
plans this morning, Prosecutor Merry-  
man said there will be further arrests  
prior to the convening of the grand  
jury.

He stated that the entire case would  
be given the jurors and they would in-  
dict all persons found connected with  
the wholesale holding system as carried  
on at the Hills (Ohio) river mill town  
over a period of several years.

Three bank officials also president  
Thomas H. Jones cashier W. E. Jones  
and assistant cashier Bradley Jones are  
under arrest on forgery and other  
charges.

That others will be implicated in  
the collapse of Merzmann some time  
ago and he stated today that he had not  
changed that opinion but would allow  
the grand jury to delve clearly through  
the entire manipulation system and in-  
dict anyone connected.

Thomas Jones and former Congress-  
man W. E. Jones a director of the  
bank were named in a bankruptcy peti-  
tion filed today.

### Bobby Jones Battles With Joe Turnesa For Golf Lead

Atlanta Star Plays with Snap and Judgment in Marked Contrast  
with Former Appearances on Scioto County Club  
Course; Walter Hagen Threatens

Scioto Country Club, Columbus, O.  
July 10.—Bobby Jones of Atlanta and  
Joe Turnesa of New York, were only  
three strokes apart in their contest for  
the leadership in the National Open  
golf championship at noon today.

Jones play today was in sharp con-  
trast with that of yesterday. He ap-  
peared to have all of the snap and judg-  
ment which were lacking in his two  
previous bad rounds and was constantly  
threatening to play the surprising  
burst of golf of which he is capable.

Bobby's 25 this morning was both  
steady and brilliant including three  
birdies to offset two holes in which  
he broke back him extra strokes. With  
one exception his tee shots were long  
and straight and his second were as  
sure as they were in his first days  
play.

Added to his 149 for the first 36  
holes his 85 of this morning gave Jones  
a total of 184. Par golf for the re-  
mainder of his play would result in a  
292 at least a near winning score in  
any tournament.

Bobby's par 4 on number one was not  
thorough golf. A long drive a good sec-  
ond and two putts gave him even fig-  
ure.

**First Troubles**

He had his first trouble on the se-  
cond. His tee shot sliced into the rough  
and his second was across into more  
of the alfalfa like vegetation. He laid  
a beautiful chip shot within six feet  
of the pin only to miss his put for a  
two one over par.

He putted no 3 in four with  
clock like golf—drive approach and  
two putts and clocked off another par  
in the three stroke fourth.

The fifth found Bobby definitely at  
his best. He shot his first more than  
diamonds

#### EXPECT RAIN TO BREAK HOT WAVE

Columbus, O., July 10.—With low  
hanging clouds promising more rain  
and the thermometer registering 71  
Columbus today experienced slight re-  
lief from the present heat wave.

Forecasted by a wind that reached 33  
miles an hour a storm swept the en-  
tire city today bringing relief. The  
relief was a slight fall of rain.  
Several windows were shattered in the  
downtown district by the wind.

There was but one prostration due  
to the heat during Friday. Pat Swamy  
56, collapsed in a restaurant but was  
quickly revived.

After sweltering in torrid weather  
for eight days Marion today was ex-  
periencing a relief with moderate  
temperatures prevailing. Showers at  
noon today were welcomed by the  
public.

The mercury tumbled last night to  
about 70 when a stiff southwest  
wind blew into Marion accompanied by  
squalls of rainfall. Today the mercury  
could not again reach the  
heights attained during the last few  
days.

For the present time this year the  
mercury at Marion's official thermom-  
eter yesterday afternoon soared to the  
90 mark.

Despite the wind and rain the low-  
est temperature recorded here last night  
was 64.

Turn to Page 10

#### JENNINGS RITES TO BE HELD MONDAY MORNING

Burial of Former Marion Man  
Will Take Place in Colum-  
bus Cemetery

Funeral services for Malcolm Jen-  
nings, 62, of Columbus former busi-  
ness manager of The Marion Star and  
secretary of Ohio Manufacturers Asso-  
ciation will be held at the residence, 772  
Franklin av. at 10:30 o'clock Monday  
morning. Burial will be in Green  
Lawn Cemetery.

Mr. Jennings died of heart disease at  
his home Friday morning following  
an illness of several weeks.

He was a personal friend of Presi-  
dent and Mrs. Warren G. Harding and  
accompanied the presidential party to  
Alaska just previous to the president's  
death. He was connected with The  
Marion Star in 1909 and a part of 1910  
leaving the paper after the Harding  
campaign for governor.

Only a few hours after the death of  
Mr. Jennings in Columbus, Frank  
Monroe Smith secretary of the Indiana  
Manufacturers' Association and a  
friend of Mr. Jennings, died at his  
home in Indianapolis.

#### PLAN DEMONSTRATION OF PROTEST IN PARIS

French War Veterans Call on  
Citizensry To Aid Fight Against  
Debt Ratification

Paris, July 10.—The city is today  
plagued with "notices" issued by  
French war veterans calling upon the  
citizensry to join them tomorrow  
in a great demonstration against the  
proposed settlement of the French  
debt to the United States.

It is now anticipated that 20,000 will  
participate in the demonstration which  
will be held in the early hours of the  
morning in order that there may be no  
danger of the demonstration being  
sent to the United States.

Previous French has formally banned  
the demonstration but it is understood  
that the government will take a positive  
attitude toward it unless it becomes  
riotous.

#### DIAMOND SALESMAN REPORTS GEM THEFT

Says Three Men in Car Forced  
Him To Stop and Took  
\$20,000 Loot

Dayton, O., July 10.—Jack West,  
diamond salesman of Cincinnati, was  
held up and robbed of \$20,000 worth  
of diamonds late last night while en-  
route from Lima to St. Johns, Ohio,  
according to his message to local police  
this morning.

Three men in a Studebaker car forced  
him to stop after firing two shots at  
him with machine and then robbing him of  
his diamonds.

### COMMERCE BODY SENDS LETTER TO MAYOR HAZEN

Use of Good Judgment Urged  
in Consideration of 1927  
Budget

#### FAIR TAXES WANTED

Without Them City Cannot  
Hope for New Industries,  
Knapp Declares

Urging the use of good judgment and  
making a careful investigation before  
City Council takes action on the new  
financial budget for 1927 Monday night,  
the Chamber of Commerce, through its  
president, George B. Knapp today filed  
a protest with Mayor Earl Hazen  
against increased taxation.

The people of Marion have been gen-  
erous in their use of the budget when  
taxation measures were concerned,  
President Knapp declared, setting out  
on all kinds of measures. But the time  
has come, he said, when a little judg-  
ment must be exercised.

The protest follows the publication of  
the proposed 1927 budget which  
it was shown that the city department  
are asking for an increase of more than  
\$120,000 for operating expenses.

**Read Budget Monday**

City Council will hear the budget  
read Monday night and may take ac-  
tion on its adoption.

The letter to Mayor Hazen declared  
that if a city is to grow it must depend  
upon industry for without industry a  
city is without people. Without tax-  
ation it is not possible to attract new  
industries and the city cannot be en-  
couraged.

Marion's present tax rate is 28.68  
mills.

Accompanying the letter to the mayor  
was a table revealing an investigation  
made into the county auditor's office  
and taxation figures.

**Income Shows**

This table reveals that although a  
decrease was made in the tax rate after  
the requirement in the city in 1925,  
owners of real estate had their taxes in-  
creased more than \$200,000 per year  
from 1925 to 1926.

President Knapp's letter to Mayor  
Hazen follows:

Hon. Earl Hazen, Mayor  
City of Marion,  
Marion, Ohio  
Dear Sir:

A copy of the proposed City budget  
for 1927, now on file in the office of  
the City Clerk, proposes an increased  
revenue of more than \$125,000, to be  
secured from the taxpayers of the  
City of Marion for 1927, for increased  
operating expenses of the City of Mar-  
ion.

No one in Marion wants to see our  
schools crippled by the fire and police de-  
pends.

Turn to Page 5

#### LICENSES ISSUED FOR 2,614 DOGS IN YEAR

Balance in Fund June 30 Nearly  
\$400 Over That of 1924,  
Report Shows

Two thousand six hundred and four-  
teen dog licenses were issued in Mar-  
ion County during the fiscal year end-  
ing June 30, 1926, the annual report  
compiled and issued today by Deputy  
County Auditor Earl E. Thomas shows.

Only 299 fees for female dogs were  
issued during the year while 2315  
were sold for males. Fifteen kennel  
licenses were issued.

The balance on hand in the dog and  
kennel fund of the county at present  
is \$4,704.18, an increase of almost \$400  
over last year.

Collection for the fund this year  
totalled \$1,028.80, the balance on hand  
July 1, 1925, was \$1,000.00, and ex-  
penditures this year were \$1,000.18.

More than \$4,000 was paid out of the  
fund for sheep killed and injured dur-  
ing the year. The number of sheep  
killed reached 765 and the number in-  
jured totaled 52. The exact amount  
paid out was \$4,030.58. Other expenses  
included witnesses fees and miscel-  
laneous purchases.

# Marion Business and Commercial Review

## Marion County's Road Building Plan for Summer Greatest in Many Years

**MILLARD HUNT HEADS BUILDING SUPPLIES FIRM**

MILLARD HUNT  
Millard Hunt is the guiding light in the Millard Hunt Co. one of the city's foremost building supply concerns. Mr. Hunt has furnished materials for many large water projects here. Crystal Lake Park being one of them.

Construction of Three State Highways is Now Under Way, According to Officials; Bids for Reconstruction Work on Another Road Due July 16

The road building campaign in Marion County this summer is the greatest in many years.

Three state highways leading from Marion and Marion County to surrounding cities are under construction at present and bids for the contract for the reconstruction of another section of highway will be received July 16 by the state highway department.

In the reconstruction of all roads Marion County stands a portion of the cost.

Due to the increase in road construction maintenance and surface treating work show a corresponding decrease.

Although the maintenance work is not as rushing as in previous years, County Surveyor Leavins is kept busy supervising the work of the men who are always on the job repairing, surface treating and rebuilding.

The county owns only two tractors, a couple of steam rollers, a concrete mixer and a few miscellaneous implements for use in maintenance work.

814 Miles in County

There are 814 miles of roads in Marion County which are divided into three divisions: state highways, county roads and township roads. The state highways comprise about 113 miles, the county roads about 427 miles and township roads 273 miles.

The kind of Marion County roads is distributed among several types of construction ranging from brick macadam and concrete to traffic bound stone.

County roads comprise 2-5 miles of macadam, 50-55 miles of surface-treated macadam, 91 miles of gravel and 241.6 miles of traffic bound stone.

All state highways are hard surfaced roads.

Almost all township roads are mud roads.

The cost of maintaining brick pavements range about \$10,000 a mile.

crete between \$30,000 and \$35,000, a mile asphaltic concrete about \$30,000 a mile, macadam from \$20,000 to \$25,000 a mile, stone traffic bound \$3,000 a mile.

Levy Delays Cost

The cost of maintaining the county roads and the township roads is defrayed by a two mill tax levy voted by the people and by the proceeds from the gasoline tax.

Although contractors at present are at work on sections of three state highways in Marion County two sections of the Delaware rd. to be improved this summer have not yet been closed.

L. L. Allen of LaHue contractor for the construction of the portion from Waldo north to the county line is planning to get on the job next week. The Harding Memorial section will not be closed until the contract is awarded some time within the next two weeks.

In addition to the extensive improvement being made on the state highways many county roads are being repaired and rebuilt. Several roads also are closed while new bridges are being constructed.

Eliminate Gravel

The maintenance gang is kept busy repairing the roads being used as detours during the rebuilding of state roads. Many of the detours are gravel roads and without the timely work of the maintenance crew tourists would receive considerable jolting.

At every allowance of bills the county commissioners are confronted with orders from contractors.

Money paid to contractors on the various roads throughout the county comprises two thirds of the amount spent for all other necessities of the county records show.

Although Marion County still may contain a few mud roads and several gravel roads it is rapidly eliminating many of the worst highways and within a few years will stand high among the counties of the state with an abundance of good roads.

**COWAN PRESIDENT OF REAL ESTATE BOARD IN MARION**

F. H. COWAN  
F. H. Cowan is the present president of the Marion Real Estate Board. Under his direction the organization has had a prosperous year. Mr. Cowan who is manager of the Cowan Realty Co.

**JUNE BUILDING IN CITY TAKES LEAD FOR YEAR**

Schaffner Plan To Start Erection of Five Houses During Month

Marion builders say that building activity has been better in this city during the last month than in all the first six months of the year put together. Sales figures have been exceptionally good the last few weeks and many new plans are planned for erection this month.

Carl Schell has just sold the last of three modern homes which he built on S. Grand av. The first two homes were made in June to J. I. Shinn and Mrs. Annie Benson.

With the extra completed and the yard graded the new Schell home on Bailey av. in Vernon Heights is promised for completion in three months. It is to be an English colonial in design.

Other real estate sales of Mr. Schell include a lot in Marion on H. street to J. S. M. a new home on Mary st. and a building and lot in Marion on H. street.

C. J. and W. L. Schaffner plan to erect five new homes this month on their tract at Center and John streets. When complete this calls for 16 new modern homes. The Dutch Colonial at the corner of these streets was a 11 this week. They also report the sale of a new home on Spruce st. to Mr. and Mrs. Jessie Biding.

**FINCHAMER LOT**  
Miller Key has just purchased a lot on Brightwood Drive in Brighton. Addition as a home site. Mr. Key plans to erect a modern home on this lot in the near future.

## Great Strides Are Made By Marion Real Estate Board

The Marion Real Estate Board dates its existence back to 1921 when a charter was granted to 10 members and W. J. Jones was elected as the first president. Today it has become an important factor not only in Marion but throughout Ohio. Its past president J. Wilbur Jacoby holds the honor this year of being president of the state group. He has given much time this year to the state effort to reduce and equalize taxation in Ohio.

The objects of the national association are: to unite the real estate men of the country for the purpose of exerting a combined influence to enable members to transact their business in a better manner; to promote high standards of conduct in the real estate business; to formulate and enforce a code of ethics to license its members the right to use the term "realtor" and to protect the public from fraudulent practices by affixing the word "realtor" so as to educate the general public to deal with persons who have agreed to live up to its code of standards.

Two years ago the local body acted as host to the state convention. More than 600 realtors and their families attended this event. The association has always taken an active part in civic affairs. Its appraisal service is of great service to Marion home owners.

The spirit of co-operation between members has never been better than it is at present under the leadership of F. H. Cowan as president. Serving with him is Carl Schell vice president.

### Real Estate Transfers

Otha F. Oskworth to David A. West lot in Marion \$1.  
Pearl I. Beck to Marquette Koonitz 5 acres in Vail Rock Township \$1.  
Vallie G. Benson to Floyd W. Benson unimproved one-half of two Marion lots \$1.

Arla Wilson Fauernough to John A. Abel lot in Marion \$1.  
James W. Gallaway to George Gallaway part of Marion lot \$1.

## FIRM FURNISHES MATERIALS FOR MANY PROJECTS

Millard Hunt Co. Responsible for Crystal Lake and Its Beauty

At everyone in Marion enjoys Crystal Lake these warm July nights and as the crowd passes up and down the broad concrete walks or views the broad expanse of the concrete swimming pool the question arises as to what building supply is used in the construction of this beautiful material to make up this popular resort.

All the building supplies come from the Millard Hunt Co. 182 N. Prospect st.

Millard Hunt purchased this business from the J. I. Fox Co. Feb. 4, 1918. Practically every type of building material is handled by this company and many Marion homes and business blocks bear testimony to the worth of its products. The list includes far more than the average person might guess. The Millard Hunt Co. has coal, coke and roofing material window frames roof joint compound, cellar traps, fine liners, sewer pipe, floor tile and every kind of fire proof building material known to the stock.

Street paving material is being furnished at present to many parts of Marion. The Harding Hotel, the Marion Park Inn and the Fairwell Engineering Co. are examples of the diversity of building projects for which this firm furnished the building materials. The most recent major development was the furnishing of all talks, building, foundations, concrete pool enclosure and all building supplies for the improvements at Crystal Lake Park.

# MEHLHORN LEADS FIELD IN NATIONAL OPEN

## Finals of Golf Tournament Scheduled to be Played at Scioto Country Club Today

Title May Go to Outsider; Bobby Jones Must Shoot Pair of 72's To Win; British Champ in Poor Form in First Two Days' Play in Meet

BY DAVIS J. WALSH  
COLUMBUS, Ohio, July 10.—News for the grand ensemble, the tennis rising on his high note like a ballet dancer on her toes; the contralto blaring a throaty lay; the basso profundo, growling in his heard. We've had the prologue, the song and dance and the stage "business" that purports to tell the innocent bystander what it is all about, if anything. Today we will have the climax.

The thirty six hole final round of the National Open golf championship will be held today at the Scioto Country Club. The field is one of the best ever assembled in the history of the tournament. The leading players in the world are here, and the contest is expected to be one of the most exciting in the history of the game.

The British Open champion, Bobby Jones, is expected to be in poor form today. He has not played well in the first two days of the tournament. He must shoot a pair of 72's to win the title.

The American champion, Walter Hagen, is expected to be in good form today. He has played well in the first two days of the tournament. He is expected to be a strong contender for the title.

The tournament is expected to be one of the most exciting in the history of the game. The field is one of the best ever assembled in the history of the tournament. The contest is expected to be one of the most exciting in the history of the game.

## WELDER DEFEAT MACHINISTS, 3-2

Orders Trim Dept. 19 in Second Steam Shovel League Game

The Orlers defeated Dept. 19 by a score of 16 to 9, in the American Industrial League game of the Marion Steam Shovel League. The game was played at the Marion Steam Shovel League grounds. The Orlers were led by their star player, who scored 16 runs. Dept. 19 was led by their star player, who scored 9 runs.

The game was a close contest. The Orlers were ahead for most of the game, but Dept. 19 fought back in the seventh inning. The Orlers won in the eighth inning.

The game was a good one. The players played hard and the fans enjoyed it. The Orlers will play Dept. 19 again in the future.

## Twelve Golfers in Open Finals

COLUMBUS, O., July 10.—The 12 leading golfers who qualified for the final 36 holes in the National Open are as follows:

Player	First Round	Second Round
Bill Mehlhorn	68	70
Joe Turney	71	68
Don Williams	72	68
Leo Diegel	73	67
George McLean	74	66
Bobby Jones	75	65
Jack Forrester	76	64
W. Hagen	77	63
John A. Jones	78	62
Chick Evans	79	61
Al Espinoza	80	60
Willie Klein	81	59

## HOW THEY WON

The writer wouldn't let the tenth part of a Chinese tugboat and that which will be Jones' portion of the day's luck. He had not the best of golf yesterday when he shot a 70, the highest score he ever made in an Open championship and probably hasn't a really poor stroke left in his system.

Jones, six strokes back of Mehlhorn, still was a definite and compelling factor this morning. So were Leo Diegel and George McLean, tied for fifth place with 148, and in a slightly less aggravated sense, Jack Forrester, tied with Jones for sixth.

Walter Hagen, seven strokes back with Al Espinoza, Chick Evans, Willie Klein and John Jones, had all the pace setters looking anxiously back over the left shoulder in spite of what happened.

## LATZO, MORGAN RETAIN CROWNS IN TITLE BOUTS

Welter King Wins Over Levine by Foul in Fourth Round

NEW YORK, July 10.—Pete Latzo, welterweight champion, and Ted Morgan, king of the junior lightweight division, still held their titles today, but Latzo's victory was marred by an unfortunate ending.

Morgan decisively outpointed Johnny Kucharsky, of Jersey City, in a fast ten round bout at Doyle's Thirty Acres while Latzo won on a foul committed by George Levine, of New York, in the fourth round of their scheduled 15 round bout.

Latzo, who is now in his fourth year of his career, was in excellent form today. He won the bout by a foul committed by Levine in the fourth round.

Morgan, who is now in his third year of his career, was in excellent form today. He won the bout by a foul committed by Kucharsky in the fourth round.

## RAILROAD LEAGUE TO PLAY MONDAY

THE second set of games in the second round of play in the Transportation Recreation League will get under way Monday night.

The following is the schedule of games: Erie Office vs. Hooking Valley at Marion County Lumber diamonds; C. D. & S. vs. Railway Service at Central; Marion Steam Shovel No. 2 vs. Erie Office at Lincoln Park; and Erie Office vs. Erie Office at Garfield Park.

## HOW THEY STAND

At New York, Phil McGraw, DeLoach, 10 rounds; Phil McGraw, DeLoach, 10 rounds; Phil McGraw, DeLoach, 10 rounds.

## OHIO BOX SCORES

GIANTS 7; REDS 4-1  
Cincinnati 7, New York 4-1  
Cincinnati 7, New York 4-1  
Cincinnati 7, New York 4-1

## YESTERDAY'S RESULTS

NEW YORK, July 10.—At-though Babe Ruth is four homers and twelve games behind his great 1921 home run record, mainly because of his recent absence from the line-up, fans who are pulling for the champion to set a new mark were heartened today by the manner in which the Yankee slugger crashed the apple against the Indians yesterday.

## LEADING HITTERS

## Men Trim Kappa A. P.; Stars Beat Postoffice

League Leaders Are Defeated in Two Games, 7 to 4 and 4 to 1; Babe Hits Homer and Yanks Defeat Indians, 8 to 2; Survey of Games

THE New York Giants, long considered hopeless this season, were very much alive in a double-header yesterday afternoon at Redland field and put a crusher on the league-leading Cincinnati Reds by trimming Pete Donohue in the first game and humiliating Eppa Rixey in the second by scores of 7 to 1 and 4 to 1, respectively.

Both Donohue and Rixey were slumped. Donohue, who had been in excellent form, was out of his game yesterday. Rixey, who had been in excellent form, was out of his game yesterday.

The Cincinnati Reds were in excellent form yesterday. They won both games of the double-header. They won the first game 7 to 1 and the second game 4 to 1.

## WELDERS DEFEAT MACHINISTS, 3-2

Orders Trim Dept. 19 in Second Steam Shovel League Game

The Orlers defeated Dept. 19 by a score of 16 to 9, in the American Industrial League game of the Marion Steam Shovel League. The game was played at the Marion Steam Shovel League grounds. The Orlers were led by their star player, who scored 16 runs. Dept. 19 was led by their star player, who scored 9 runs.

## BINGOS TO PLAY POLLAK POWERS

Game Scheduled as Preliminary to Athletics-Elmore Clash Sunday

The Marion Bincos will meet the Pollak Powers of the Saturday Afternoon Industrial League in a preliminary game to the Athletics-Elmore tilt at Lincoln Park Sunday afternoon.

## HOW THEY WON

The writer wouldn't let the tenth part of a Chinese tugboat and that which will be Jones' portion of the day's luck. He had not the best of golf yesterday when he shot a 70, the highest score he ever made in an Open championship and probably hasn't a really poor stroke left in his system.
